Statement of Purpose

We believe the Bible to be the Word of God.

It is with great joy and humility that we recognize these Fellow Ambassadors for Christ whose labor is not in vain. We are honored and extremely blessed to be able to salute them while they are yet with us.

These humble servants of the Lord have made great contributions (deposits) into the lives of those of us here today and, thousands more.

Our business is Soul Business.

And, while each had a very unique way of contributing to this

Holy way, many of us are here today because of their examples of Christian Faithfulness.

For these blessings we thank the Lord and

We thank each of you!

In the name of Jesus to the glory of God!
